Bend OR 97702

Dear Robert and Margaret:

The Deschutes Basin Land Trust wishes to thank TraditionalMountaineering.org for your generous contribution to the Skyline Forest project. Your gift of \$2612.57, proceeds from the Royal Robbins presentation, will assist us in our efforts to establish the **Skyline Forest**, which will conserve important wildlife habitat and the region's scenic view, while providing educational and recreational opportunities for many Central Oregon communities.

The Land Trust works to preserve land in the Deschutes Basin--home to five major rivers and to some of Oregon's most diverse and stunning scenery. We achieve our mission by working with willing landowners to acquire land or development rights to help preserve our natural heritage for future generations. **Since 1995, the Land Trust has protected more than 5,500 acres of critical habitat here in the Deschutes Basin** Projects such as Alder Springs, Camp Polk Meadow and the Metolius Preserve exemplify our efforts.

Thanks again for your generous support of the **Skyline Forest** project. Should you have any further questions, please feel free to call.

Very truly yours,

Brad Chalfant
Executive Director

Thanks so much for all your efforts, as the event was a huge success!

The Deschutes Basin Land Trust is a 501(c)(3), non-profit organization. Contributions are tax deductible to the extent of the law. Please retain this receipt for your records. The Land Trust affirms that it has not provided any goods or services for this contribution.
